

Enjoy the Dolce Vita.

Discovering every corner of the earth has never been so beautiful. Either spontaneously or well planned. From north to south or from east to west. You are surrounded by sophisticated design, the highest quality technology and a feeling of home, right here and now.

Enjoy
the Dolce
Vita.

A room open
to everyone.

Every new morning of your journey starts right here.
Why not enjoy an aromatic coffee and a croissant on
the fold-out table? The large window gives you the best
view, no matter where you are.

LIVING ROOM

Coffee house, trattoria and bar, all in one! Practically anything is possible in the kitchen of the Laika Camper

Van. Here you can cook, relax, enjoy yourself, laugh and simply adore the Dolce Vita.

KITCHEN

Full board included.

An extra long work surface offers enough space for refined dishes or quick snacks.

6.0

Wonderful
comfort.

A good night's sleep is the best preparation for an exciting journey. In this sleeping area you can fall onto a wide mattress and relax after a long day. The individually movable lamps are a cherished extra.

SLEEPING AREA

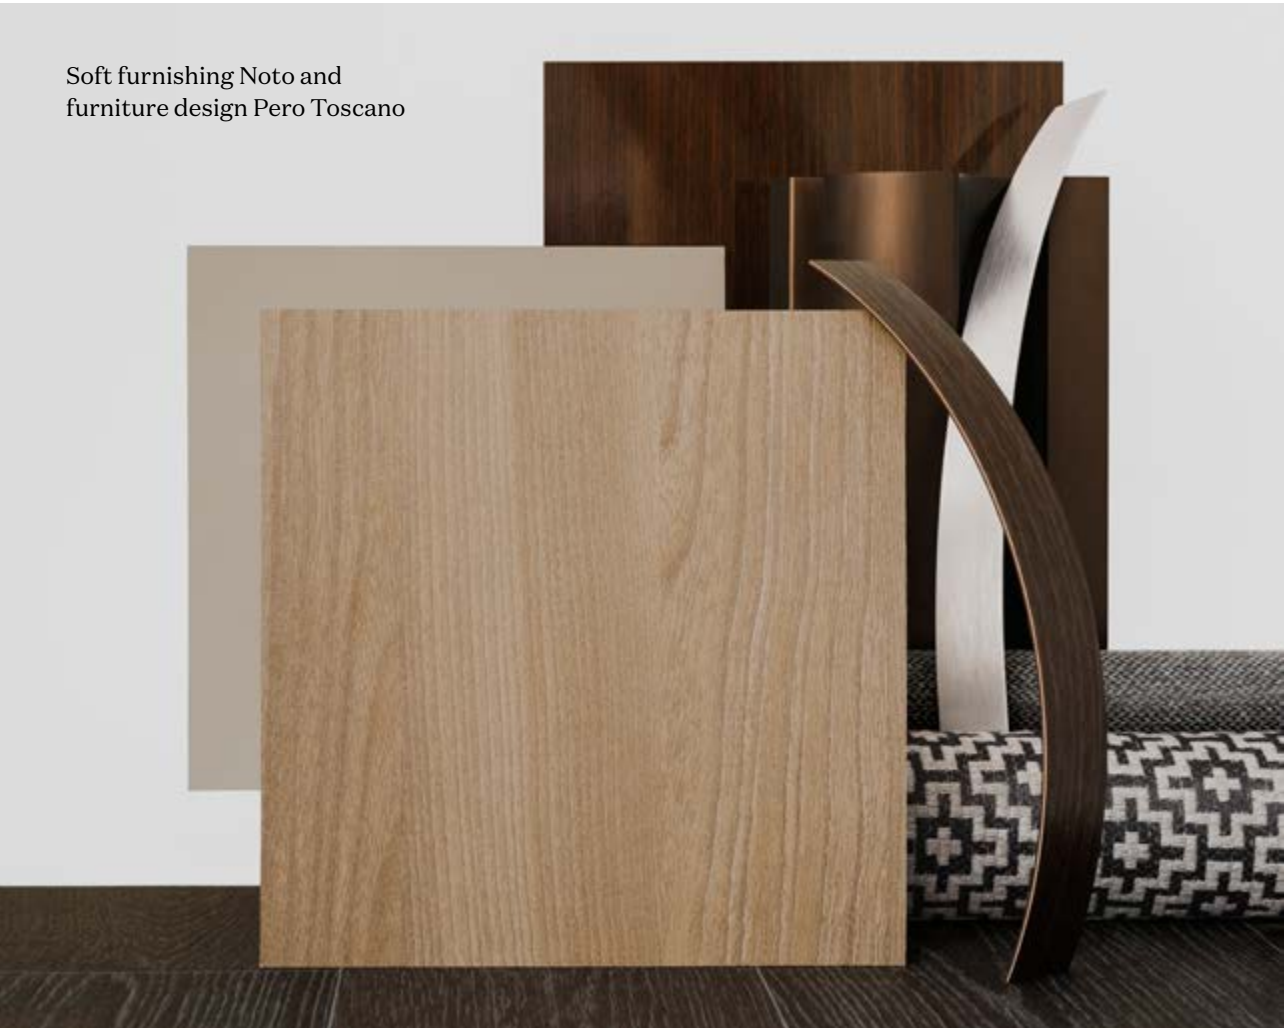

6.0

Great comfort
in a small space.

Many small details make this bathroom a place of well-being. Integrated shelves offer enough storage space and a large sink ensures daily luxury.

GENERAL INFORMATION

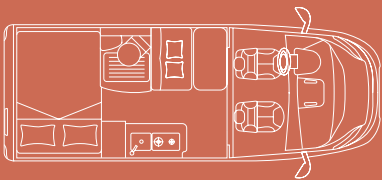

Laika Caravans S.p.A. reserves the right to change the technical properties of the body and chassis, the characteristics of the furnishings and the equipment of the vehicles presented in this catalogue at any time and without notice. Despite careful controls, this catalogue may contain printing errors. Some of the vehicle images are photos of prototypes whereby the final production version had not yet been determined at the time of printing (August 2020). We therefore ask you to contact your Laika dealer, who will be happy to inform you of any deviations. Any changes may affect the design, materials, colours, shapes and equipment. Some of the vehicles photographed and presented in this catalogue have accessories that are not included as standard equipment and can therefore only be delivered at a surcharge. The photos can also include furnishings, e.g. plates, glasses and other items such as television or surfboard props that are

not included in the vehicles' equipment and are not traded by Laika. This catalogue shows the equipment and characteristics that are valid at the time of printing. The technical data refers to the European type approval requirements valid in all EU countries. In countries outside the EU's area of competence, some data may change in accordance with the locally applicable guidelines. In this case, we ask you to contact your Laika dealer, who will be happy to inform you of the applicable approval guidelines and type approval data. Your authorised Laika dealer will notify you of any changes made to the products after the brochures were printed. All options are subject to a surcharge. Customised, special and/or specific uses must be communicated to the Laika dealer before the conclusion of the purchase contract. The photos are for illustration purposes only and are not part of the contract.
