What makes our products special? The sum of many details.

WEINSBERG DNA. Sounds powerful. It is. Thanks to the passion and experience of our employees (many of them enthusiastic campers themselves) we know what is important "out there". That is why we pour our expertise into all WEINSBERG models, from the smallest screw to the largest storage space. While expertise is not something you can always see, it is something you can always feel.

## COMFORT AND HEALTH

Fabrics make a significant contribution to the ambience. At WEINSBERG, fabrics are not only of high quality and perfectly processed, but also have that certain something in terms of design.

## FURNITURE MAKING AND QUALITY.

As a dedicated carpenter, I am proud that we at WEINSBERG work of course with an elaborate full-body construction and a precisely fitting dowelling technology.

We strive for the best possible travel experience for our customers. That is why we are extremely careful when selecting our partners and only use what really convinces us. The bluuwater water filter for hygienically clean water is one such example. **Stefan Kreuz**, Product manage motorhomes

#### PERFECT VEHICLE CONSTRUCTION AND LONGEVITY.

We build on security. After all, the future owners should always feel well looked after in our caravans. And that for many years to come.

For recreational vehicles of the WEINSBERG brand, we grant you a 10-year tightness guarantee on the bodywork manufactured by us within the framework of our guarantee conditions valid at the time of vehicle delivery, in addition to your statutory guarantee.

The new seat cushions come with a comfort function and an increased seat depth.

Sandwich construction. The multi-layer structure with its integral insulation and more contact surface on the body floor provide greater stability and insulation.

## **CAMPER VANS COMPETENCE**.

Hot-air-circulated **fresh water tank.** The 102 l water tank is integrated into the side wall above the wheel arch to save space and thus creates additional room in the load compartment.

**Easy-Travel-Box.** The complete supply technology centrally in one place. The flap integrated into the side wall gives you quick and easy access to all important elements.

Insulated with EPP. The high-tech material offers the best protection and reduces driving noise.

**Crank support in the rear.** Provides additional stability and less vibration when the vehicle is stationary.

#### **Durable TVT construction.** Aluminium and insulation materials with polyurethane reinforcements make the vehicle weatherresistant.

## CaraCito YOUNG LIVING FOR ON THE ROAD.

**Easy to use and cost-effective.** The camping season is the best time of the year. And with the CaraCito you have the ideal companion! Its all-electric equipment with standard heating/air-conditioning combination is not only particularly beginner-friendly, but also ideally suited to create pleasant temperatures for you throughout the entire camping season. And all that sustainably and without time-consuming gas bottle changes! Let yourself be inspired by the new way of caravanning!

## THE PERFECT CARAVAN FOR BEGINNERS AND SEASONAL CAMPERS.

#### CONSISTENTLY MODERN. CONSISTENTLY DIFFERENT. CONSISTENTLY ELECTRIC.

Whether induction hob, fridge or air conditioner: in the CaraCito you can look forward to fully electric standard equipment at an ingenious price-performance ratio. The individual appliances work as easily as in your own home and some can even be activated by remote control – here in the **390 QD**.

YOUNG LIVING. SIMPLE DESIGN MEETS COMFORT.

> Simply ingenious. Reduced design? Yes, please. Reduced comfort? Certainly not! The CaraCito is also in a class of its own when it comes to variety and choice. Its interior is oriented towards the modern living world. Simple, elegant and straightforward, with handleless push-to-open furniture flaps.

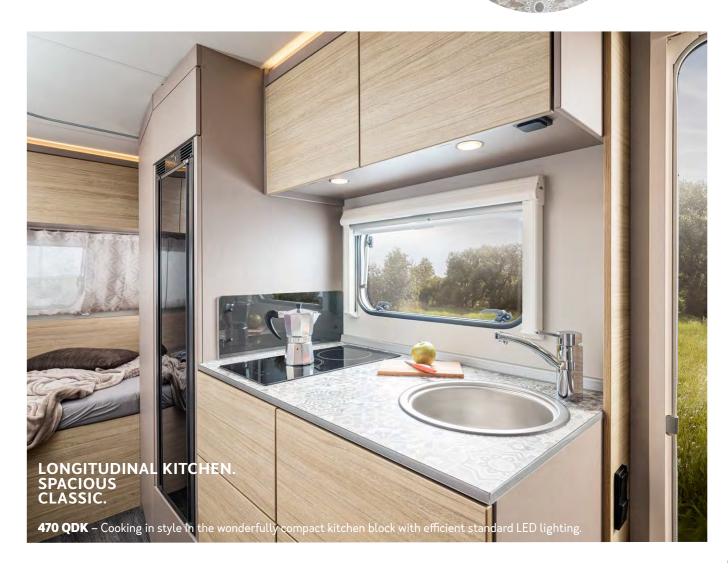

#### ROUND SEATING GROUP. A RELAXED GET-TOGETHER.

COOKING 🖄

The best ingredients for the travel kitchen. How does young living show itself in the kitchen of a caravan? The CaraCito offers great flexibility, because it has just about everything. Whether it's a large or small cooking area, here you have the full choice. The induction hob offers the ease of use that you know from your home.

**Sleep better.** For a price-conscious caravan, the CaraCito offers an unusual amount of choice, even in the sleeping area. It is available with single and double beds, a queen-sized bed or even with additional bunk beds for families. Of course, all solutions are particularly comfortable and convenient.

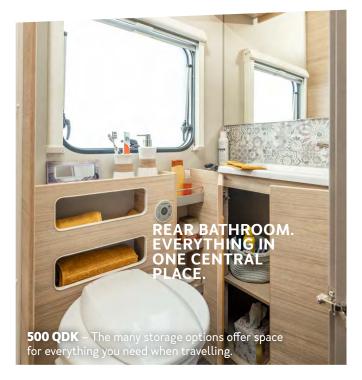

Perfectly elaborate. Anything can be big, but it takes experience to make the best use of a limited space. This is exactly what the bathroom of the CaraCito shows. Its design is clear and open, and it has extraordinary features. In other words: everything but standard.

# LONGITUDINAL BATH. UNIQUE FEELING OF SPACE.

**450 FU** – Extremely practical. The bathroom with shower and WC is separated from the corner wash basin.

## HIGHLIGHTS. CaraOne.

13 cm more headroom with all lifting bed layouts. Even tall people can easily stand in the new CaraOne (390 PUH / 540 EUH).

**EvoPoreHRC mattresses.** For optimum sleeping comfort.

Exclusive WEINSBERG furniture handle. The modern and robust handles are comfortable to hold and at the same time add a design accent.

For incomparable living comfort in the entire vehicle.

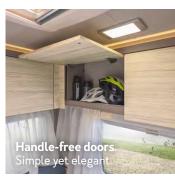

**Pull-out slatted frame.** With the rollaway bed function, the two single beds can be transformed into one large double bed.

## HIGHLIGHTS. CaraCito.

**Standard air conditioning with heating function.** For perfect room temperature in the entire vehicle.

Storage space under the French bed. Accessible from inside and outside.

Up to 133-litre refrigerator. Ample room for everything a family could need.

Lateral clearance lights and the striking WEINSBERG taillight carrier. For safe manoeuvring.

\* Please note that the possible usage time of a battery per charging cycle depends on various factors, such as the number and power consumption of the operated end users, the age of the battery, etc., and is limited by these. Therefore, a minimum usage time per charging cycle cannot be guaranteed.

## **BLUUWATER.** Water filter system.

Hygienically perfect water at every destination - the new bluuwater water filter removes germs, bacteria and minute particles almost completely (99.999 %) from the pipe system of all Knaus Tabbert vehicles (in series). The replaceable filter cartridge with highly efficient ultrafiltration membrane is mounted vertically or horizontally between the water tank and the pipe system. It has a filter capacity of up to 8,000 litres - and thanks to a Timestrip indicator in the vehicle, the remaining usage time can be checked at any time. It is advisable to replace the bluuwater cartridge after about six months. Thanks to the click-and-ready quick coupling system, it can be replaced easily and drip-proof.

## MEDIKIT VOUCHER\*. Exclusive medication set.

Your WEINSBERG motorhome now also contains a voucher for a MediKit. This contains various pharmacy-supplied medicines that may be useful when travelling, including painkillers, antiallergics or tablets for diarrhoea. So you're always well taken care of.<sup>\*\*</sup>

\*\* A voucher to redeem the medicine set is enclosed with the vehicle. The medicine set contains medicines that must be purchased from a pharmacy. The voucher can therefore only be redeemed at the responsible MediKit mail-order pharmacy at www.medikit.shop. At www.medikit.shop you will also receive further information about your MediKit.

# **PIONEER NAVIGATION SYSTEM\*.** (AVIC – navigation).

Europe navigation specially for motorhomes and camper van in 44 countries; promobil campsite finder; secure smartphone operation with voice control; cear and high-contrast 9" multi-touch display; Wireless compatible with Apple CarPlay, android auto and WebLink; integrated DAB+ receiver; including 3-year map update.

# **SMART-TV\*.** Home cinema on the move.

Watch what you want, where you want. The future of television is now moving into your WEINSBERG. With the optional TV package, only Smart TVs are installed. This means you can enjoy all the benefits of Video on Demand on the move, simply via a mobile hotspot or the WIFI on the campsite. Streaming your favourite series and films provides that little bit of extra comfort on your holiday.

# PIONEER HEAD-UP-DISPLAY<sup>\*</sup>.

The integrated head-up display provides even more safety. All relevant data directly in the field of vision so that the driver's eyes always stay on the road. Navigation instructions from the Navgate Evo are also displayed.

# LUCKY DOG CAMPER<sup>\*</sup>.

Because your pet deserves a holiday too!

One of the major advantages of caravanning is that your furry friend can join you on your holiday. The upgrade and conversion kits from Lucky Dog Camper mean that everyone can travel in complete and utter comfort. The dog-friendly solutions are now available from participating dealers for many WEINSBERG motorhomes, depending on the range.

# **VELOCATE GPS-TRACKER\*.** More safety for your WEINSBERG.

Velocate's innovative GPS tracking system works with intuitive app control and silent alarm mode. In the event of theft, Velocate can help you recover your camper vans. The powerful self-contained running time of up to 3 months without power leaves nothing to be desired. The GPS tracker can be upgraded with Bluetooth sensors and a reed contact: So you can check the gas bottle level and the temperature of your WEINSBERG in the app at any time.

In addition, the hardware is prepared to be expanded via optional sensors (e.g. door/ window contact). For more information, please visit **www.velocate.com** or **www.weinsberg.com**.

# TRUMA iNet X<sup>\*</sup>.

Turn your WEINSBERG into a smart home.

The practical TRUMA iNet X with intuitive smartphone app control via Bluetooth allows you to control heating, interior and exterior lighting as well as TV and radio in your mobile home from anywhere. The colour 4.3" touch display shows outdoor and indoor temperature and can operate devices from Truma and Dometic. The intuitive user interface makes monitoring and control particularly pleasant, clear and simple.

## **E.HIT\*.** Integrated rear carrier.

Extremely practical: the rear carrier can be extended electrically, has a high loadbearing capacity of up to 150 kg and is combined with a detachable trailer coupling. At the push of a button, two swivel arms extend, then the accessory base with its retractable LED is pushed onto it and a connection between the electrics of the taillight carrier and the motorhome is established.

# **SILWYREADY\*.** For relaxed travelling.

Thanks to the silwy MAGNETIC SYSTEM, your glasses are guaranteed to never slide around, fall over or rattle ever again. The clever magnetic system ensures that the magnetic glasses stick to the metallic nano pads or metallic accessories that have been specially developed for silwy. So you can sit back, relax, and simply enjoy travelling in your WEINSBERG vehicle. The silwyREADY kit includes a number of handy items as standard. The metal nano-gel pad is removable, so you can place it anywhere you like in your vehicle. You can also hang up your clothes or towels wherever you think best using the clever magnetic hook. Use the promotional code on the voucher included with the silwyREADY kit to receive a silwy metal mat and metal bar completely free of charge. They will keep your silwy glasses upright and prevent them from rattling. For more information please visit: **www.silwy.de/READY**

COMFORT.

**Always well protected.** Awnings from the quality manufacturer Thule make your WEINSBERG holiday even more pleasant. As effective protection from sun, rain and wind, they also create a cosy atmosphere and extend the living space at the campsite. Our awnings are available in various sizes (depending on the layout) and impress with their special durability thanks to waterproof, wind-resistant PCR fabrics, simple assembly and absolute stability.

Flexible. The emergent angle can be adjusted as you wish. This allows you to close and open the awning even when the door to your WEINSBERG is open.

**Foldout.** The supports have an articulated joint. The vertical lowering system prevents damage to the vehicle.

**Practical.** Quick Lock system for easy assembly and adjustment of the support feet.
